**AMENDMENT AND RESPONSE UNDER 37 C.F.R. 1.116**

BOX AF (After Final)  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicant has reviewed the Office Action mailed on April 22, 2002 finally rejecting claims 1-26, all of the claims in the Application. Please amend the above-identified patent application as follows:

**SUMMARY OF THE OFFICE ACTION**

**Rejections Under 35 U.S.C. 112, First Paragraph**

1) Claims 9-13 and 25 have been rejected under 35 U.S.C. 112, first paragraph as containing subject matter asserted to lack such a description in the specification in such a way as to convey that the invention was in the possession of Applicants at the time of the invention, as the Examiner has found no authentication of "petuli oil" in his search of the literature.

**Rejections Under 35 U.S.C. 112, Second Paragraph**

Claims 1, 3, 9-13, 21-22, and 24-25 have been rejected under 35 U.S.C. 112, second paragraph as being indefinite with respect to the following terms and claims:

- a) Claims 1 and 22 "ambient environment."
- b) Claims 1, 21 and 22, the phrases "allowing the aromatherapeutic essential oil to remain within the ambient environment," and "for effecting aromatherapy to an ambient environment."
- c) Claim 25, "petuli oil."
